TTH GROUP

# ABOUT US

TTH Group Pty Ltd is a well-respected, family-owned and operated business operating out of St Marys. We specialise in the maintenance, refurbishing and manufacturing of front/rear-lift bins, hook bins and compactors. TTH has held our customers since the establishment of our brand with the highest quality of workmanship, honesty, integrity and service that we pride ourselves in providing

TTH GROUP

# OUR VALUES

Our values are there to remind us of who we are, and what we want to be. They guide everything we do, from our approach to work, to how we treat people. They are intentionally aspirational and aspirationally intentional.

## CUSTOMER SATISFACTION

We at TTH Group pride ourselves with our impeccable record with customers past and present. Trusting us is guaranteeing the best waste services for your business

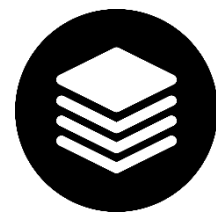

## INTEGRITY

TTH Group is a family owned organisation and this would not be possible without integrity being an integral part of our identity. TTH is the industry example of rectitude.

## TEAMWORK

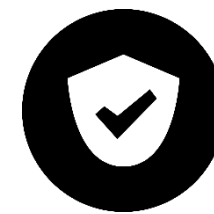

TTH Group recognises the importance of all our staff in delivering in our industry leading services. With over 18 employees in manufacturing and over 10 in transportation, we maintain a high quality of teamwork throughout our business processes that ensures you get the best possible outcome.

THIS IS  
WHAT  
WE DO

### **BIN MANUFACTURING**

TTH Group specialises in bin manufacturing, with the widest array of products. From front and rear lift bins to hook bins, we have got exactly what your business needs.

### **BIN REFURBISHMENT**

TTH Group revolutionised the industry with our bin refurbishment services. We can transform your old dilapidated bins into products that are indistinguishable from new bins.

### **MACHINE MANUFACTURING**

Waste management does not end with bins. We manufacture the compactors that is necessary in your businesses waste processes. Using a variety of metal binding and cutting machinery including guillotine, brake presses and drop saws, you will receive exceptional products.
